

Burr and Burton Academy

ANNUAL APPRECIATION REPORT 2008 – 2009

RESPONSIBILITY
INTEGRITY
SERVICE

Dear Supporters of Burr and Burton,

The purpose of this letter is to recognize you and express appreciation for your support of Burr and Burton Academy. During this past school year, despite the extreme economic conditions that have affected us all, annual giving actually increased thanks to the many individuals, corporations and foundations that chose to support this school. These are extraordinary times, and your extraordinary support allowed us to provide an outstanding educational opportunity to 735 students, all while balancing our budget.

The student experience here is amazing. We hire world-class teachers, build state-of-the-art facilities, imbue this school with high expectations, and provide a staggering array of opportunities for students to develop talents, explore their passions, and discover that hard work yields outstanding results. We are committed to educating students intellectually and morally in the classroom, on the sports field, on stage, in music and dance studios, in the technology lab, and in the many other places where students find their place in this great school.

We are committed to making certain that every dollar we raise goes directly to benefit our students' education every day. Like many companies and institutions in this country, we have taken steps this past year to trim costs in several areas and our efforts were rewarded with considerable savings. As we move forward, you can be assured that we will be managing our finances very carefully.

Your continuing faith in our commitment to providing an education of unparalleled richness and diversity is a significant reason why the school enjoys its well-deserved reputation for excellence.

The entire Burr and Burton community joins me in thanking you for being an important member of the team that makes this all possible.

With gratitude,

Mark H. Tashjian
Headmaster

Dear Burr and Burton Supporters,

Your financial support during the past year has enabled Burr and Burton Academy to offer many diverse programs and to continue our quest to be the very best high school in Vermont, if not New England. New families continue to move to our area for the quality of life, for our vibrant community and most important, because of our exceptional schools. Burr and Burton has earned a reputation for excellence in every aspect of our

curriculum, sports programs, clubs, service projects and other activities. You, as a supporter, should take a great deal of pride and satisfaction in being a part of such a wonderful educational program.

The new year will bring new programs and opportunities, new faculty, new students and many opportunities for each of you to come and experience Burr and Burton Academy. Whether you come to a football game this fall or a musical next spring there is always something happening on the Hill. We encourage your active involvement with our school and our young people, and hope you will bring a friend to one of the many sporting events or artistic endeavors, take a tour of the campus, or if you are one our alumni, just reconnect with your alma mater. We would love to see you.

Again, as chair of the Advancement Committee, as a trustee, an alumna and parent of an alumnus, I can't thank you enough for your continued support.

Sincerely,

Carol Bresko O'Connor '67
Chair, Advancement Committee

2008–2009 Annual Giving Campaign

Fiscal year July 1, 2008 to June 30, 2009

This report gratefully acknowledges gifts received between July 1, 2008 and June 30, 2009. Every effort has been made to ensure the accuracy and completeness of this report. In the preparation of such reports, however, errors occasionally do occur despite our best efforts. Please accept our apologies for any errors or omissions and report them to the Advancement Office at 802-549-8110.

Managing Your Nest Egg Yields More Than Peace of Mind

The current volatile economy will not last forever (although it sometimes feels that way). Markets have their ups and downs, but it is the steady hand and cool head that often reaches the other side of these crises in good financial shape. Talk with your financial advisor, tax planner or other professional about options to help you achieve your financial and philanthropic goals.

If you have a soft spot for Burr and Burton, there are ways to continue your support (or support us for the first time!) that have little impact on your pocketbook. Consider:

- A planned gift or bequest costs you very little but is matched immediately by the \$5 million Rowland Endowment Challenge.
- A trust helps secure your family's financial

future, may reduce your tax burden, and can support Burr and Burton either today (charitable lead trust) or in the future (charitable remainder trust).

- A charitable gift annuity provides you with a guaranteed, steady stream of income for life, at much higher rates than a CD or money market (ask about a free summary of rates of return and tax benefits).

Regardless of the economic climate, Burr and Burton continues to focus on one very important goal—providing young people from all walks of life with an outstanding, exceptional education. Your planned gift provides our young people with the promise of a brighter future as they make their way out into the world beyond Burr and Burton.

The Joseph Burr Society recognizes alumni, trustees, parents and friends of the school who have followed in the footsteps of Joseph Burr and Josiah Burton. Burr Society members have either funded or planned a deferred gift, such as a bequest or a life income plan. To this day, Burr and Burton relies heavily on the generosity of donors whose thoughtful planning produces living, lasting results.

Successful Year in Light of Economic Challenges

Faced with the worst economic crisis in recent history this past year, Burr and Burton was successful in raising support for both the Annual Giving Campaign and the Endowment Initiative. In addition, several gifts were made for specific needs of the school from foundations and friends, as well as gifts-in-kind of services needed by the school. And corporate sponsorships were steady in light of challenges for certain sectors of our local business community.

Some positive facts we'd like to share with you:

- Over \$550,000 was raised for the Endowment Initiative, 69 percent in planned gifts which the school will receive in the future and the balance in outright gifts. All of these gifts will be matched dollar for dollar by the Rowland Challenge.
- 129 gifts were made to different endowment funds.
- 30 gifts were made in honor of alumni reunion years.
- 20 gifts were made in honor of graduating seniors.
- A new endowed fund was created by retired faculty member Bill Drake to support the Mathematics Department.
- Following a long-standing tradition, the Board of Trustees once again had 100 percent participation in the Annual Giving Campaign, and provided 21 percent of the total support of this campaign.

- The number of Annual Giving Campaign gifts made this year increased by 30.
- 88 grandparents supported the school with a gift.
- Approximately \$8,000 in valuable services were donated to the school by local businesses.
- We received a grant of \$20,000 from a foundation for the Mountain Campus program.
- Gifts to the Annual Giving Campaign ranged from \$10 to \$50,000 and everywhere in between. But the fact remains that every gift counts and it's just as much about participation as it is about the size of a gift.

This all boils down to just one simple fact—we are most grateful to all who recognize and endorse the value of what we offer our students at Burr and Burton. It's a tough world out there and the better we prepare our students to become lifelong learners and provide them with the skills needed to compete in a global economy, the more successful they will be. What better goal could there be?

Thank you for your support this year—you have been amazing friends of the school and we deeply appreciate your commitment to quality education.
